SHOOTING IN FAIRFAX.—For some time Alfred Moore and John Turner, both colored, who live in Fairfax county, near the Seminary, have not been on good terms. This morning Turner and his father, who were in a wagon, met Moore in the road and after a quarrel the Turners proceeded to give Moore a thrashing. Moore hurried to his home, got his gun and, mounting a horse, started in pursuit of the Turners. He overtook them in the road just after they had turned into the Seminary gate, and with little ceremony blazed away at them. The shots took effect in the lower part of Turner's back, but as he had on heavy clothing the wounds were not dangerous, but very painful. The discharge of the gun caused Turner's horses and they ran off pell mell. One of the animals undertook to pass on one side of a tree and the other on the other side which resulted in the wagon colliding with the obstruction when a general mix-up ensued. The Turners were thrown to the ground, but not seriously injured, though the wagon was much damaged. Moore having gotten satisfaction left the scene most unconcernedly. It is the opinion of the sheriff's office that Moore will be arrested.

DAMAGE SUIT.—The case of I. O. Little against the Julius Lansburgh Furniture Company of Washington, which was commenced in the Circuit Court before Judge C. E. Nicol on Thursday, was concluded this morning. The suit grew out of the seizure, about two years ago, of certain furniture at Highview Hotel, in the upper part of the county, which was operated by Mrs. Little, and damages of \$10,000 were claimed. Last night the jury returned a verdict for plaintiff of \$2,100, whereupon defendant moved for an arrest of judgment and for a new trial. This morning arguments on the motions were heard, after which Judge Nicol decided that the damages awarded by the jury were excessive, and said that unless the plaintiff would accept \$1,004.83 he would grant a new trial. The plaintiff agreed to accept this amount, but the defendant declined to pay the compromise and filed a bill of exceptions and will take the case to the Court of Appeals. Judge J. K. M. Norton represented the plaintiff and the defendant company was represented by Messrs. A. W. Armstrong and G. A. Mushbach.
